BEHNAZ GHASEMI FALAVARJANI

Visual artist

PROFILE

I am Behnaz, born September 7, 1988, in Isfahan, a visual artist with a Bachelor's and Master's degree in Painting from Yazd University. I have participated in numerous national and international exhibitions and have received awards at various art festivals.

With over eight years of teaching experience, I specialize in murals, design, painting, and children's art. In addition, I have worked as a designer and executor on municipal beautification mural projects in collaboration with the city administration.

I am a member of the Association of Iranian Painters, the Association of Painters of Isfahan, and have insurance coverage through the Art Fund. I am seeking new opportunities for the further development of my artistic work and for participation in cultural projects in an international environment.
